## LONG TERM HEALTH CARE: ISSUES AND SOLUTIONS

Working in partnership with Howard County General Hospital, we have developed a series of lectures that discuss important issues that are of concern to affluent individuals. These issues often have financial and health related implications. Our “Financial Wellness” series has been designed to help you understand the issues and ramifications and learn about potential solutions.

If you would like to be informed of future lectures, please talk to your Legg Mason Financial Advisor, or call our office at (410) 730-5055.
